

MARSHALL ★ COMMUNICATIONS

“We do more than satellite communications...”

Marshall Communications, a minority owned SDB and Vietnam Veteran Owned Small Business (VOSB), has been providing the Government systems integration support since 1991. Marshall specializes in secure broadband satellite communications and IP multimedia services. Marshall provides full turnkey satellite services (i.e. Up-linking, space segment lease, terminals and maintenance/help-desk support). We offer the only national, secure, satellite-IP based, content delivery service in the US.
